Raymond James Ltd. is seeking an Intern to work in our Toronto office. Raymond James Ltd. is one of Canada's leading independent investment dealers offering high quality investment products and services to individual Canadians seeking customized solutions to their wealth management needs.

The Intern plays an integral role on the Private Client Solutions team by providing crucial assistance to team members and Raymond James financial advisors. Individuals in this role are learning and developing the techniques and skills necessary for investment analysis and research of securities. Interns typically gain an in-depth understanding of the financial advisory and wealth management industry, further developing valuable skills, knowledge, and relationships. The Private Client Solutions team is located on the 53rd floor of Scotia Plaza, situated in the heart of Bay Street.

Specifically you will:

- Develop, modify, optimize, test and implement quantitative models and strategies related to ETFs and mutual funds;
- Conduct backtesting research to identify investment factors that outperform the market;
- Handle research enquiries from financial advisors;
- Assist in producing articles, white papers and/or research reports;
- Support due diligence activities to identify top-performing portfolio managers (PMs) by attending PM meetings, preparing internal and external reports, and running attribution reports.

To qualify for this opportunity you possess:

- Highly proficient in Excel, Access, VBA macros (mandatory requirement);
- Strong communication skills and ability to explain involved concepts in both verbal and written form;
- Passionate, enthusiastic, team player;
- Experience using Bloomberg;
- Ability to perform under pressure and meet tight deadlines that may require additional time commitment;
- Ability to multi-task and manage several ongoing projects at the same time;
- Self-motivated, hardworking and detail-oriented;
- Solid understanding of financial terminology.

This is a temporary position with a competitive compensation package.

If you would like an opportunity to contribute and grow within a top producing professional team, please send a resume and covering letter, quoting the position and Job Posting # by March 28, 2014 to:
